Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation of an environmental permit.

This variation is to increase the permitted annual tonnage, add wastes to the list of permitted wastes and to update the existing conditions into the current Environmental Permitting Regulations format.

The Schedules specify the changes made to the original permit.

Schedule 1 of the notice lists any conditions that have been deleted, Schedule 2 of the notice lists any amended conditions and Schedule 3 of the notice lists any conditions that have been added. The new site plan is attached in Schedule 4.

The status log of a permit sets out the permitting history, including any changes to the permit reference number
